

Mubasher's expansion continues with opening of new branch at the Dubai World Trade Centre

UAE, 18th January 2015: Mubasher Financial Services, one of the leading regional financial institutions in the Middle East, is pleased to announce the opening of its newest branch with state of the art facilities at the Dubai World Trade Centre. The new branch, which was officially opened on the 18th January, was inaugurated by H.E. Essa Kazim, Chairman of Borse Dubai, Chairman of Dubai Financial Market (DFM) and Governor of the Dubai International Financial Center.

The new Dubai World Trade Centre office follows the opening of the Mubasher branch in Sharjah on Taawon Corniche Road and is in line with the Company's commitment to provide its customers with comprehensive trading support and ease of access to its personnel as and when needed.

Malek Kanawati, CEO, Mubasher, said: "As a leading financial services business, we continue to invest in our business to support both our expansion strategy in addition to ensuring we continue to provide our customers with a premium service. We are committed to being the 'go to' broker of choice for trading in the GCC, MENA as well as key frontier and emerging markets.

Our new branch, which provides state of the art facilities, brings our business even closer to our customer base, which we support with our award winning and world class multi-platform trading technologies. With on-going investment, our business is well positioned to continue its growth both domestically, regionally as well as internationally."

Hanan Koubeissy ,Group Director of UAE Branches said: "As part of our continued business growth in the region, we are delighted to announce the opening of this new branch. Our customer service capabilities have now been significantly enhanced with Mubasher providing comprehensive client support services from this new branch which offers a 'one stop shop' for all account management needs.
