

Mubasher Wins

'Outstanding Financial Market Services Excellence Award'

Middle East, 7 November 2013: Mubasher Financial Services, one of the leading regional financial institutions in the Middle East, is delighted to announce that it is the winner of the 'Outstanding Financial Market Services Excellence Award' organised by the Middle East Excellence Awards Institute.

The Award, which was presented at an official ceremony at the Burj Al Arab Hotel on November 7th recognises businesses, which have played a key role in developing the GCC's financial markets and positioning the region's successful economy on a global stage.

Over the last 20 years, the Middle East Excellence Awards Institute has been identifying public and private sector business leaders and businesses, which have excelled at delivering best practice, innovation as well as growth across their key areas of expertise.

Previous leaders honoured by the institute have included:-

- H.E Sheikha Lubna Al Qasimi UAE Minister of Foreign Trade
- H.E Shiekha Hessa Bint Khalifa Al Khalifa, Representative, UNDP, Bahrain
- Ms. Amat Al Alim Al Soswa Assistant Sec. General and Dir. of Regional Bureau of Arab States, UNDP
- Dr. Masouma Al-Mubarak Former Minister of Health, Kuwait
- Prof. Sheikha Bint Abdulla Al Misnad, President Qatar University

This award recognises Mubasher's ability to provide retail and institutional investors across the region with seamless electronic trading capabilities across multiple platforms, six days a week. Investors are provided with instant access to regional and global stock markets and are supported by world class research and analysis ensuring investors have the in-depth financial information they need to trade both efficiently and profitably.

Malek Kanawati, CEO, Mubasher, said:

"I am very proud to receive this award as it reaffirms Mubasher's position once again as a leading financial services provider to the retail and institutional community across the region. I would like to take this opportunity to say thank you to the Institute for this award, which is greatly appreciated as well as the Mubasher team, our clients, regional exchanges and regulators who have all made Mubasher the success that it is today.
